- We believe that the Bible is the Word of God, supernaturally inspired by God. It has been preserved by God and is the divine authority and standard for doctrine and practice.
- We believe that God is creator of the universe.
- We believe that God, by His sovereign choice and out of love for men, sent Christ into the world to die for the sins of the world.
- We believe that Jesus Christ was crucified and died as a penalty for our sins and was raised from the dead bodily on the third day.
- We believe that Jesus Christ is the head of the Church and intercedes for believers.
- We believe that by His death, Jesus Christ made perfect atonement for sin. His death provided a way for all men to be saved from eternal death and separation.
