### WELCOME

### PRAISE & WORSHIP

### OPENING PRAYER

**Dianne Bell**

Holy God, we enter this moment with grateful hearts, acknowledging that You are the One who meets us in our beginnings and carries us into our becoming. Lord, just as You heard Jabez, hear us now. Speak over every place in our lives that started in pain, that began in limitation, that was marked by struggle. Remind us that we are more than our beginning.

Let Your presence fill this sanctuary. Let Your hand rest upon us. Let Your Spirit enlarge our capacity to believe, to hope, to worship, and to receive what You have prepared.

Break every label that life tried to place on us. Lift every burden that followed us into this room. Open our hearts to the blessing You desire to pour out. Guide us, cover us, and keep us from harm as we worship You in spirit and in truth. Have Your way, O God. Write a new story in us today. In Jesus' name, Amen.
